

## Gift Card Holder Tutorial

### Materials:

Fabric: non fraying material

Tear away Stabilizer

Embroidery Thread

Scissors

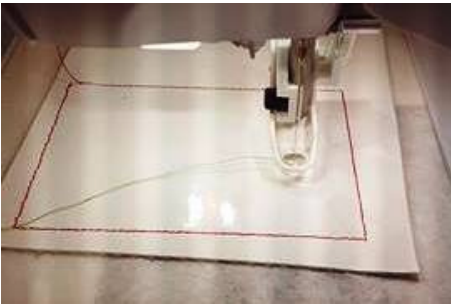

### Step 1: Hoop Stabilizer

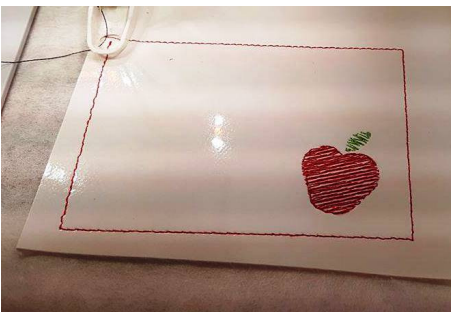

Step 2: Run Step 1. This is your placement guide for card holder. Cover completely with fabric

### Step 3: Run step 2 to tack down

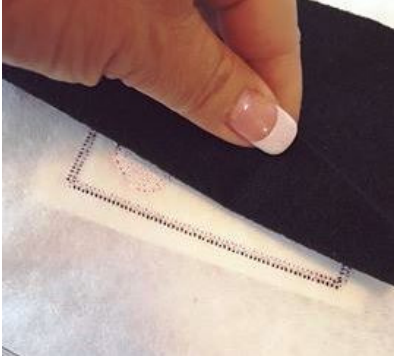

### Step 4: Run Middle steps to stitch design accents

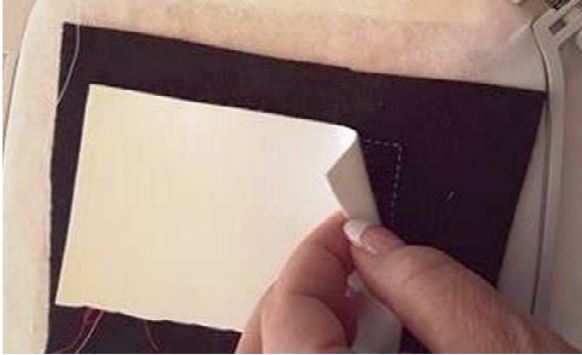

Step 5: Run step 5 to run applique stitch around material for clean finish.

Step 6: Float felt on back .

Step 7: Then float a piece of vinyl or second piece of felt on top of that one to create lined pocket

Step 8: Run final steps to finish card holder and add optional guide for hole to attach to a gift or add ribbon to. Unhoop and trim neatly around. Add gift card and make someone's day.
