

Note Writer Tutorial

Materials:

Fabric: Vinyl recommended (felt or other non fray material may be used with clear vinyl)

Must have SMOOTH finish vinyl for dry erase note part

Elastic for marker holder about 2"

Ribbon or strip of vinyl for tab to attach eraser about 2"

Square of non fray material for eraser

Snaps to attach eraser to board

Stabilizer

Embroidery Thread

Scissors

Step 1: Hoop your Stabilizer

Step 2 : Run 1st step. These are placement stitches for eraser holder. Place ribbon or strip of vinyl over stitches

Step 3: Run step 2 to secure in place.

Step 4: Fold elastic in half to make a loop for marker. Place overtop eraser holder.

Step 5: Run step 3 to tack down

Step 6: Run step 4. These are placements for bottom of board. Cover completely with vinyl

Step 7: Run step 5 to tack down. Trim top line

Step 8 : Run step 6. These are placement for top of board. Cover completely with vinyl

Step 9: Run step 7 to tack down. Trim bottom line neatly

Step 10: Run all middle steps to stitch design on top section

Step 11: Run 3rd step from end. These are placement for writing section. Use any smooth vinyl and cover completely

Step 12: Run 2nd step from end to tack down. Trim neatly around

Step 13: Float vinyl or felt on back of hoop

Step 14: Run final outline stitch. Unhoop and trim neatly around design careful not to snip elastic.

Step 15: Add snaps to eraser tab and eraser fabric

Step 16: If desired add magnets on back

Add dry erase marker and enjoy!
